

2011 April 22

Greetings from Greenville SC!

I had an uneventful trip down the mountain on Tuesday. It was interesting to talk to a man who had just been in Port-au-Prince for the mission work he is doing. He said that he saw a lot of improvement from when he was there last September—houses rebuilt (we doubted the building codes had improved), businesses re-opening, rubble carted away.

The trip to Ft. Pierce FL was quiet—and quick. We arrived before 4 PM, and I was quickly on my way. I arrived in Greenville SC at 5 AM after driving through a moonlit night.

I am including my schedule as it is planned through June. Our Lord knows what changes may happen during that time!

Have a blessed Easter—our Lord's Resurrection Day!

Dr. Anne
